# TECHNIUM SCIENCE

## Technium Science

Technium Science is an international center for supporting distinguished researchers, teachers, scholars and students who are researching various areas of Science and Technology. Technium Science wishes to provide good chances for academic and industry professionals to discuss recent progress in various areas of Science and Technology. Technium Science organizes many international conferences, symposia and workshops every year, and provides sponsor or technical support to researchers who wish to organize their own conferences and workshops. Technium Science also publishes high quality academic international journals and books. Technium Science journals are indexed in DOAJ, ROAD, RePEc, DRJI, EZ3, Ulrich's and Index Copernicus.
